

Eagle Brae

Luxury Log Cabins - Struy, Scottish Highlands.

Located in the remote Scottish Highlands, Eagle Brae offers five star luxury self catering log cabins. In pursuit of carbon saving and enhanced sustainability, Ri Cruden installed a brand-new biomass system, running completely on natural resources, with no need for fossil fuels for energy and heating supply.

The Works

- Wood Pellet Biomass Boiler
- Underfloor Heating System
- Plumbing Requirements

Contractor: Ri Cruden

Carbon Saving: 50% | **Year:** 2013

"Ri Cruden have been excellent, especially with handover packs, RHI application and after sales support."
