

# Maintenance Electrician

12-14 Seafield Road, Inverness, IV1 1SG

## About Us

RI Cruden Ltd is an award-winning, family-run Mechanical, Electrical and Renewable contractor based in Inverness. With an exceptional reputation for the provision of high-quality M&E solutions, we have spent over 20 years delivering reliable electrical solutions for domestic and commercial clients across Scotland.

## The Role

We are seeking a qualified Maintenance Electrician to join our growing team and support RI Cruden's high standards of quality, professionalism and innovation. This is a hands-on role working across building services and renewable energy projects within our service team. You will carry out electrical maintenance, fault finding and minor installation works on domestic and commercial sites, supporting both reactive works and planned preventative maintenance (PPM). All work will be completed safely and in compliance with current regulations.

### Key Responsibilities:

- Electrical maintenance, fault finding and remedial works
- Minor electrical installations and upgrades
- Supporting PPM and reactive maintenance activities
- Working in line with H&S requirements and company procedures
- Supporting and mentoring apprentices

### Additional:

- 1-in-6 on-call rota following successful probation

## About You

### Essential experience:

- 18<sup>th</sup> Edition
- SVQ level 3 electrical maintenance or equivalent
- Current ECS Card
- Driving License

### Desirable:

- 2391 Inspection and Testing
- IPAF
- Experience working on Building Services & Renewable Energy Projects

**We are committed to investing in the professional development of the right individual, with additional training available.**

## What we Offer

We offer a competitive salary of **£45,000 to £55,000** dependant on experience, providing stable monthly earnings and a strong overall package.

Additional hours worked are paid at enhanced rates or can be taken as time off in lieu (TOIL), offering flexibility to suit your work-life balance.

### Company benefits include:

- Company Vehicle for Business Use
- Travel Time (paid in hours)
- Company Pension
- Training and Development Opportunities
- Death in Service cover
- Private health plan
- Gym membership
- Cycle-to-work scheme

## Ready to Apply?

Would you like the opportunity to grow with a values-led business, known for quality, innovation, and community impact?
